STAGE	1. ENTICE (Awareness)	2. ENTER (Beginning)	3. ENGAGE (Interaction)	4. EXIT (Completion)	5. EXTEND (Follow-up)
<b>Steps</b> <i>What does the user do?</i>	Hear news about "Green Growth" budget allocation. Searches Google for details.	Clicks link to "Empowering India Dashboard". Lands on Home Page.	Selects "Ministry of New & Renewable Energy" filter. Drills down to "Green Hydrogen Mission".	Finds the specific allocation chart. Clicks "Download PDF" or takes a screenshot.	Includes the data chart in investment presentation. Applies for the grant.
<b>Interactions</b> <i>Touchpoints &amp; People</i>	<ul style="list-style-type: none"><li>TV News / Twitter</li><li>Search Engine</li></ul>	<ul style="list-style-type: none"><li>Web Browser</li><li>Dashboard Landing Page</li></ul>	<ul style="list-style-type: none"><li>Tableau Filters</li><li>Interactive Charts</li><li>Tooltips (Hover)</li></ul>	<ul style="list-style-type: none"><li>Export Button</li><li>Downloaded File</li></ul>	<ul style="list-style-type: none"><li>Email to Co-founder</li><li>Pitch Deck Slide</li></ul>

"Help me compare this year's funding to last year's."	"Help me get a clean visual to show my board members."	"Help me secure funding for my startup."
<b>Positive Moments</b> <i>Delight points</i>	Excitement about potential funding news.	Dashboard loads instantly. Clean, professional UI.	Seeing the "Green Hydrogen" bar chart spike up (Growth).	One-click download works perfectly.	Investors are impressed by the strategy.
<b>Negative Moments</b> <i>Frustrations</i>	Too many confusing articles online.	Unsure where to click initially (if UI is cluttered).	Filter takes 2 seconds to load (slight lag).	Chart labels might be too small in the downloaded image.	N/A
<b>Areas of Opportunity</b> <i>How to improve?</i>	Optimize SEO so our dashboard appears top of search results.	Add a "Quick Start Guide" popup for first-time users.	Add a "Compare with Previous Year" toggle switch for easier analysis.	Allow downloading raw CSV data alongside the image.	Add a "Subscribe for Updates" next year's budget.
